**200°**  
COFFEE

We're located on Colmore Row in the heart of Birmingham City Centre, next to Birmingham Snow Hill Station and a short walk from Birmingham New Street. Arriving by car is also as easy with access from the M6 motorway and parking nearby.

Our Barista School is a unique space in the stimulating environment of one of the city's most popular coffee shops. We're a refreshing change from bland corporate rooms, combining Victorian architecture with contemporary conferencing facilities and our reputation for high quality food and coffee. We hand roast all of our beans and run regular courses at the Barista School on how to make better coffee.

The School is a flexible venue perfect for hosting events, meetings and seminars for up to 14 people seated, 25 standing. We also offer packages that include a Barista Experience with a short class and workshop, these are lots of fun, ideal for team building and a more useful life skill than paint-balling.

The School is easy to book with bespoke packages outlined below and a friendly team on hand to make sure everything runs to a plan. Relax, get your work done and then break-out into the fantastic heritage setting of Colmore Row with its independent shops and bars.
